I just love it! Need graphics shipped with your Carousel?

It's effective, indirect, and my customers READ them. The Carousel lets me display three promotions from one location and are easy to change.

Julia Sullivan, Owner
Godfather's Pizza

We have in-house back-lit film printing services.

Provide us with ready to print files and your graphics can ship with your Carousel.

Graphics are 11"x14" cut size. The readable area is 10"x14", slightly less than overall size.

Easy to change graphics, easy to locate, and easy on power.

Changing Graphics on the FLY!

Exclusive slip drive allows the Carousel to be stopped for changing graphics.

Small Size:

Packs BIG promotions!

Low power consumption, three Carousels are equivalent to one 60 watt household lamp!

Specifications: 20 Watts, 115 VAC, 50/60 HZ • Weight 6 lbs. • 10,000 hour average lamp life.

Light, Movement, and Three Promotions . . . IT GETS ATTENTION!
